

LPN Pathway Frequently Asked Questions

Who is my official nursing advisor?

If you are applying to the LPN Pathway, your advisor will be Dr. Darcy Duncan. Contact information can be found on Colleague Self-Service, as well as the Advisor List on our webpage. [Major In Nursing](#)

When can I apply to the Nursing Program?

For you, our **LPN Pathway applicants**, we will accept applications throughout the year. The semester you join the program will be dependent upon things such as; graduating from your program and passing the NCLEX-PN (if applicable), acceptance to ECU, and completion of program and clinical requirements. Please contact your advisor if you have questions on applying.

For our traditional students, we accept applications twice a year. The application cycle for the cohort beginning in a fall semester will open on October 1st and close March 1st. The application cycle for the cohort beginning in a spring semester will open on April 1st and close September 1st.

Accreditation information and application materials can be found on our webpage. [ECU School of Nursing](#) and [Major in Nursing. Please make sure that you pick the LPN Pathway application.](#)

Do I need to apply to East Central University or be an ECU student to apply to the nursing program?

No, and in fact, please be sure NOT to confuse the ECU application for the application to the nursing program. They are two completely separate applications. Those who are interested in applying for the ECU nursing program may choose to apply for the nursing program as well as East Central University at the same time, if they choose. Or they may wait and apply for ECU upon acceptance to the nursing program.

How do I apply to ECU?

You can find all the application information and materials on the webpage [Applying to ECU](#)

Please make sure you are submitting the right application, based upon whether you are a returning student, transfer student, international student, etc.

How much does it cost to attend ECU and the nursing program?

You can find the most current tuition, fees, housing/meal plan, and course specific fee information on the Office of the Bursar webpage [Office of the Bursar](#)

Do I have to take a pre-entrance exam as part of my application to the nursing program?

You do not. We do require that you provide the following documents: Exit Exam scores (HESI, ATI, etc.) from your LPN Program; LPN Program transcript showing successful completion (you may apply prior to graduation & send this when you graduate), transcripts from any other college/university you have attended. You must also have an unencumbered, valid, OK LPN license prior to starting.

How many students do you currently accept?

We will accept up to 75 qualified students.

What are the requirements I need to be eligible to apply/be accepted to the nursing program?

- a. Required Gen Eds/Required Related Work courses require a final grade of “C” or higher
- b. Meet University admission requirements; apply and be accepted to ECU by the stated deadline
- c. Once provisionally admitted to the nursing program, complete all remaining requirements related to clinical, attestations, and accreditation
- d. Again, providing Exit Exam scores, LPN transcript, any additional college/university transcripts, and your LPN license, which we can look up

What program and clinical requirements will I need? (Additional detail is provided on the application to the nursing program)

- a. Background Check (done after being accepted)
- b. Drug Screen (done after being accepted)
- c. CPR – must be American Heart Association Basic Life Support (BLS) for Healthcare Providers
- d. Immunizations/Vaccinations:
 - a. Annual Influenza – for the current flu season
 - b. Tetanus, Diphtheria & Pertussis (Tdap)
 - c. Measles, Mumps, and Rubella (MMR)
 - d. Varicella (Chicken Pox)
 - e. Hepatitis B
 - f. Tuberculin (TB/PPD) Skin Test – 2-step for initial and then annual OR QuantiFERON gold blood test, OR Negative Tspot blood test
 - i. If previous or current positive test results, a Clearance of Public Contact from the Health Department
 - ii. 1-step, blood tests, or Clearance required annually to follow
 - g. COVID-19; evidence of two-part CDC approved vaccination completion OR of CDC approved single vaccination

This list is not all-inclusive and is subject to change if/as the requirements of our clinical sites change. ECU and the School of Nursing do not have a waiver for any of the required immunizations/vaccinations. Any waivers, if allowed, would have to be obtained from the clinical sites directly by the student. Please feel free to call the nursing office if you have any questions or concerns about these requirements.

What are the Required Gen Eds/Required Related Work courses that I need, & when do I need to have them completed by?

- a. English Composition I
- b. English Composition II
- c. Functions & Modeling OR College Algebra
- d. Chemical Principles OR General Chemistry
- e. General Biology
- f. Human Anatomy (Anatomy & Physiology I)
- g. Basic Nutrition
- h. General Psychology
- i. General Microbiology
- j. Human Physiology
- k. Developmental Psychology
- l. Basic Statistics Course
- m. Basic Computer Course

All of the above courses, along with Introduction to Professional Nursing are used to figure your Program GPA, and must be passed with a “C” or higher. Your advisor can help you with planning your course work.

I will be transferring some college courses from another university, so how do I know which ones will transfer to East Central University?

The easiest way to know if a course will transfer to ECU or not, is to use the ECU Transfer Matrix on the website: [ECU Transfer Matrix](#)

The easiest way to find the ECU Transfer Matrix on the new website is to search the term “transfer matrix” on the search bar.

To use this tool, simply select your college or institution, then select the course you took. If the course transfers to ECU there will be an ECU Department Prefix and course number. For example, if you are trying to see if a general chemistry class transfers, you will see CHEM 1114. If it does not you may see CHEM 0000 or NODEPT 0000. In the event that you cannot find your college or your class does not automatically transfer to an ECU course, you may still be able to have to course transferred by completing a course substitution. Please work with your nursing advisor on this.

I am an international student. Where can I find information on applying to ECU?

You can find information on the webpage [Office of International Student Services](#)

We hope this FAQ sheet helps you with your questions and application process. Please do not hesitate to reach out to your advisor or our office if you have additional questions, or if we can help in any way!

You can email us at nurse_sec@ecok.edu or call the office at 580-559-5434 or 580-559-5933
