Some suggestions include aquariums, oceans, dinosaur habitats, spring parks with flowers, bunnies and more, caves or deserts, farms, zoos, trains or holidays. Let the kids use their imagination to create any environment they want or to complete whatever topic you are teaching. Let us know what they are interested in and we will supply the rest! **On-Site Assistance Available for Your

**And the savings keep adding up!** Oklahoma's nearly 900 members of OK Shared Services saved over **\$18,623.13** in 2020!!! This is if they only saved 10% on all purchases. Much of the time discounts are even higher. Providers spent \$186,231.34 on goods and services purchased through the Shared Services portal, not only saving money on item costs but receiving free shipping also. Lakeshore, Discount School Supply and food service agencies had the highest sales for the year.

If you aren't a member you may be asking what is Shared Services? This program provides assistance to all Oklahoma child care providers in a variety of ways. Not only does it provide lesson plans and other valuable teaching aides but your membership can benefit with cost savings, medical and insurance benefits, tele-med access, classroom assessment tools, form templates, help with job descriptions and training, communication skill development tools, employee benefits and more. (The ECU CCRR staff regularly uses OK Shared Services when ordering materials through Lakeshore and Discount School Supplies. The savings allow us to purchase even more items for our Lending Library and Resource Room.)

A monthly newsletter provides up-to-date information on a large variety of topics relevant to child care. These topics may include safety, dealing with trauma (very relevant during these times), interaction with parents, and much more.

A one free year of membership is granted to all Oklahoma providers. Membership fees for subsequent years are minimal and the service is second to none. If you as a center, or individual teacher, haven't signed up, do so now. (Directors, please share this program with all of your teachers and workers. They are all eligible for membership.)

OK Shared Services is funded in part by OKDHS Child Care Services, Potts Family Foundation, Tulsa Educare, the Ottawa Tribe of Oklahoma and the Shawnee Tribe. If you haven't had the opportunity to check out this amazing program, you may do so at [www.oksharedservices.org](http://www.oksharedservices.org).

**What is the Pyramid Model and why are so many early childhood professionals in Oklahoma (and across the country) talking about it?** It is a proven way to teach and support young children in understanding and managing their emotions, which helps children handle life's tough situations with greater resiliency and hope. Oklahoma is one of 35 states working to implement these evidence-based practices that help teachers and families work together to provide responsive, supportive, positive environments in which all of our children can learn and thrive.

**To learn more about the Pyramid Model**, you can now take a free one-hour overview on the Statewide Training Calendar. [Type "Pyramid" in the course title search on the Statewide Training Calendar. (<https://okregistry.org/v7/trainings/search>)] The course name is Building Positive Social Emotional Skills for All Children: Introducing the Pyramid Model Framework, course #267798.

**OKLAHOMA REGISTRY**  
**Certificate of Achievement Stipend Program**

INFORMATION FROM THE DIRECTOR AT CEDPD:

**FREE TRAININGS**

We have heard your concerns regarding the application process and training for Certificate of Achievements Stipends. To better serve you, beginning Friday, March 12, 2021

**Certificate of Achievement Stipend APPLICATIONS**

Current guidelines require that all applications for the four (4) stipends must be submitted by June 30, 2021. We have *extended the deadline to submit your applications until September 30, 2021.*

**Certificate of Achievement Stipend TRAINING**

We have changed the training calculation process for the 2nd-5th Certificates of Achievement. For the 1st Certificate, we look back five (5) years and for the 2nd-5th Certificates we now look back 12 months.

**BENEFIT:** You can take training for multiple Certificates of Achievement at the same time. However, you can only apply for one Certificate at a time.

1st Cert of Achievement – Looks back five (5) years for training

2nd Cert of Achievement – looks back 12 months from the application date

3rd Cert of Achievement – looks back 12 months from the application date

4th Cert of Achievement – looks back 12 months from the application date

5th Cert of Achievement – looks back 12 months from the application date

**REMINDER: STIPEND TRAINING IS SPECIFIC**

Training is specific! Be sure you are taking the right ones. See below to locate approved trainings for each Certificate. It's as easy as 1, 2, 3, 4.

1. Visit the Statewide Training Calendar at [www.okregistry.org](http://www.okregistry.org).
2. On the left navigation menu, **click on Training Content.**
3. **Click on Certificate of Achievement and Stipend.**
4. **Choose the Certificate of Achievement you are interested in and the required classes will be displayed.**

We believe these changes will make a positive difference in the Stipend process.

*If you were denied a Certificate of Achievement because you took an approved training before a previous Certificate of Achievement was awarded, you do not need to call CECPD; you can simply reapply, and approved trainings you have taken in the past year will be reviewed.*

Warmest regards,

Susan J. Kimmel, Ph.D.
